Are you looking for an inspiring place to hold your business meetings, company dinners or workshops? The two large seminar rooms on the sixth floor, which we can open up as one, offer you the opportunity to let your creativity run wild all year round.

Our team of professionals is at your service to meet your requirements for your event. For each occasion, we do our very best to satisfy your needs and desires.

For aperitifs and small meetings, we also offer our “Mezzanine”, a private space above the reception, or the “MWork”, a working room in our co-working space.

Don’t wait any longer,
ask us for an offer!
